

Workshop Liability Waiver for The RE Store

Each student will be required to sign this form upon arrival in class.

I acknowledge that participation in classes delivered by The RE Store comes with risk. Depending on the class being taken, I understand that I may have an opportunity to use many different types of hand tools and/or power tools, including but not limited to: power drills and drivers; powered saws such as table saws, chop saws, band saws, and circular saws; air tools including nail guns; hand tools such as hammers, chisels, glass cutters, wire cutters, and utility knives. The risks of participating in classes include but are not limited to: trips and falls, bruising, foreign objects in skin or eyes, hearing damage, electric shock, cuts, and other injuries including disability and the loss of limbs or life.

I understand that class instructors and teaching assistants will train all students to use safe practices and will monitor student usage, when possible, but once trained on safe usage of tools, I may have the opportunity to use tools without direct supervision.

I understand that refusal to comply with safety guidelines may result in dismissal from the class, without refund.

By my signature, I hereby agree to hold harmless The RE Store and all its officers, directors, employees, agents, volunteers, and class/workshop participants from all claims, demands and actions for injuries sustained to my person and/or property as a result of my participation. My involvement with The RE Store is voluntary; that I am participating at my own risk, and that I have read and agree to the foregoing terms and conditions of this release. I am aware that this is a release of liability and sign it of my own free will.
